

# Chacewater School – LEAP into Learning

Term: Spring 1

Class: Seedlings

Theme: Animal Allsorts

On this page you will find an outline of our learning this half term in Seedlings Class.

## Number and Place Value within 20

We will explore teen numbers using ten frames and tens and ones models, understanding that teen numbers are made up of a ten and extra ones. We will count forwards and backwards within 20, finding 1 more and 1 less. We will order and compare numbers within 20.

## Mathematics Addition and Subtraction within 20

This term we will learn how to add and subtract within 20 using a range of strategies such as by counting on/back, using number bonds, using number lines, and making 10 first.

## English

We will be looking at the story “Stella and the Seagull” by Georgina Stevens. We will continue writing simple dictated sentences using capital letters, finger spaces and full stops. We will begin to write our own ideas for simple sentences using different adjectives and verbs to describe the animals and beach setting.

We will begin learning how to use capital letters for names, and learn how to use s and es to show plurals. We will also begin to learn different word endings such as y and ing.

## **Science: Animals including humans.**

We'll be using observation skills to compare and contrast animals and identify their category: mammals, birds, reptiles, amphibians, fish. Then we'll group them into carnivore, herbivore and omnivore. Humans are animals too! We'll learn about parts of the body and explore our senses.

## **Art & Design: 3D Sculpture**

We'll be looking at sculptures and finding out how artists use different materials to make a 3D sculpture. We will try different skills and techniques to make paper 3D, and will create a paper sculpture of a bird.

## **Computing: Programming**

We'll be using Beebots to understand basic programming.

## **Religious Education:**

What do Christians believe God is like? We will learn about what different stories from the Bible teach Christians.

## **RHSE: Caring for others – Our Special People**

We will explore why they are special and how they care for and keep one another safe.

# Chacewater School – LEAP into Learning

## HOME LEARNING

Term: Spring 1

Class: Seedlings

Theme: Animal Allsorts

Alongside regular reading, choose at least one of the following to complete over this half term. You might even be inspired and choose more than one!

### **Local Animals**

Look out for signs of animals on your walks in the woods or on the beach.

Take photos, make drawings, write labels, create a collection.

Click here to play.

<https://play.numbots.com/#/intro>

### **Body parts**

How many body parts do you know? You could draw yourself and label or ask an adult to draw around you or a sibling with chalk outside and label.

### **Animal Books**

Do you have books about animals at home? They might be fiction or non-fiction. Draw a picture of your favourite page and tell me why you chose it or choose an animal and write some key facts about it.

Click here to make a unicorn puppet.

<https://www.tate.org.uk/kids/make/sculpture/make-unicorn-puppet>

### **Sculpture**

There are so many public sculptures in Cornwall. What are they made from? How was it made? Take photographs or make a drawing to bring in and show. Could you make your own sculpture using natural materials outside?

### **Computing**

Use a paint programme to create a picture of an animal.

<https://paintz.app/>

### **Music**

How many animal songs can you sing? Can you create an animal inspired dance to each song?

### **PE**

Practise your ball skills at home. Can you throw and catch? Start with a big ball and work down to tennis ball.
