

Chacewater School – LEAP Into Learning – Summer 1 – Mighty Oaks

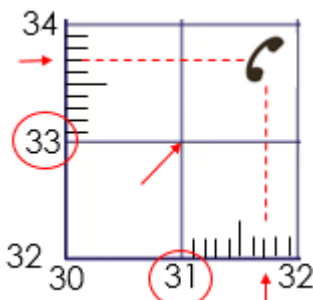

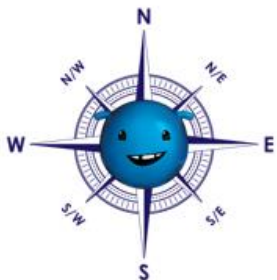

GEOGRAPHY – A Tale of Two Cities (Compare and Contrast London and Paris)

What we will be learning:

Map Skills: Use 8 figure compass and 6 figure grid reference accurately

Topography: study of the land surface

Thematic mapping tells us a story about a place: climate issues; population densities.

Time Zones

Different places in the world have **different times**.

This is why the world is divided into **24 different time zones**. One for each hour in a day.

Comparison UK with France

- Both countries are in Europe: the UK is slightly north of France, across the English Channel.
- Due to its slightly more southerly position (closer to the Equator) France is generally a little warmer than the UK.
- France is larger than the UK – 551,695 sq. km compared to 243,610sq km.
- Slightly more people live in France than the UK – 67 million people compared to 66 million people.
- Paris and London are similar in size – which is bigger depends on definition.

Physical Features:

River Thames

River Seine

Ben Nevis – 1345m

Mt Blanc – 4810m

Human Features:

Big Ben

Eiffel Tower
