How did Florence Nightingale and Mary Seacole change history?

What I might already know: Significant people from the past: Henry Trengrouse Y1

What we will be learning:

KEY QUESTIONS:

Who was Florence Nightingale and Mary Seacole?

Mary Seacole was a **nurse**. She was born in Jamaica in 1805.

Her mother was Jamaican and her father was Scottish. She died in Britain in 1881.

Key Vocabulary:

- **Infection**: an illness caused by spreading
- **Crimean War**: the war that Florence Nightingale served in.
- **Patient**: a person that is ill in hospital.
- **Red Cross**: The award given in exceptional services in military nursing

Who is Mary Seacole and how can we work out why Mary Seacole is famous?

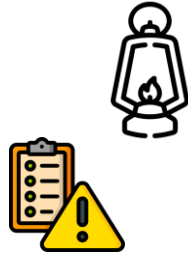

She travelled to the Crimean war and set up the 'British Hotel' for soldiers to receive, food, water and treatment. She also travelled to the frontline to give supplies to soldiers.

Beyond living memory

Within living memory

What did Florence do to help the soldiers?

Florence dramatically improved nursing conditions and worked to make hospitals safer and cleaner.

Florence Nightingale and Mary Seacole were alive in the time **beyond living memory**. Which means it happened before we can remember.
