

## 13<sup>th</sup> September 2024

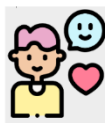

Dear Parents/Carers

I hope this newsletter finds you all well as we wrap up a brilliant week at Chacewater School. It has been an absolute delight to have everyone back in school for their first full week. We have seen some tired faces today but we are so proud of them and how they have settled – the school really has felt incredible.

We were thrilled to have PC Rees visit our school this week. PC Rees worked closely with our Year 5 children on an exciting mini-police project. The children had a fantastic time and came away with valuable insights to staying safe online. As part of their 'mini police' project, they've also generated some brilliant ideas on internet safety. As always, they showed fantastic engagement and an enthusiasm for learning.

This week Mrs Hoadley had a blast teaching music to our Seedlings and Buds, while Miss Dyer got the Ukulele's out with some of the children in lower key stage 2 - filling our school with the sweet sounds of melody! She will continue this weekly this term. Meanwhile, Mrs. Jacquemond, once again transported our children to the enchanting world of French language as she taught French to Red Oaks and Mighty Oaks. This will also continue weekly.

Our assemblies this week have focused on revisiting our 4 key behaviour values: be kind, be honest, be respectful, be brilliant. I am incredibly proud of how our children have embraced these. WELL DONE everyone!

A reminder that class meeting for parent/carers are taking place next week and details are below. Clubs will begin the week after and we will send out a sign-up list for these early next week.

I hope you all have a fantastic weekend.

Mr Hick

## Pupil Premium form etc.

As a school we are required to complete a census on Thursday 3rd October, this census drives our pupil funding.

The Pupil Premium Grant is additional funding that offers significant benefits to our students. As you may know, this funding is intended to help improve the educational outcomes of children from disadvantaged backgrounds.

The Pupil Premium is an additional sum of money given to schools for each child eligible for free school meals, those who have been in care, or children whose parents are in the armed forces. This funding is used to provide essential support and resources that can enhance your child's learning experience and overall development.

We need to conduct a search via the local authority on our pupils to establish eligibility for PPG.

Data will be treated with the strictest confidence and stored in line with GDPR regulations.

We appreciate your co-operation with this and would appreciate if you could complete this short form [HERE](#) by Friday 20th September at the latest.

## Nasal Flu Vaccinations

Details of these have been sent out via email this week. Please note that these are taking place on Tuesday 8<sup>th</sup> October.

Dear Parent/Guardian

#### Your child's annual nasal flu vaccination is now due

Kernow Health's School Age Immunisation Service is delivering the nasal flu immunisation programme in Cornwall's and Devon's schools on behalf of NHS England & Improvement. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2024/25 all children in Primary Schools from **Reception to year 6 (inclusive)** will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate. The patient information leaflet is also in the attached link, [FLUENZ Tetra, INN-influenza vaccine \(live attenuated, nasal\) \(medicines.org.uk\)](#)

We are due to visit your child's school on **Tuesday 8<sup>th</sup> October 2024**. In order to access the online consent form, please enter or click on the following link: <https://www.kernowimmunisations.co.uk/Forms/Flu>  
**PLEASE ENSURE YOU ENTER THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your child's school is: EE142789**

Please submit your consent form by **midday on Friday 4<sup>th</sup> October 2024** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221 105 for Cornwall schools and 01392 342678 for Devon schools** and the team will be happy to help. Please note that as in previous years **you must opt into the programme**. If a consent form is not submitted your child will not be vaccinated.

**If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact us on the numbers above.**

If you decide you do not want to vaccinate your child against flu, it will help us if you still complete and submit the consent form giving the reason. This will help us to plan and develop the service. Please tell us if you need this information in a different format.

Yours faithfully

Dr Paul Cook  
Chief Medical Officer  
Kernow Health

### Nut Free

Please remember that we are a nut free school. There are several children in school that have severe nut allergies and therefore we kindly ask that you avoid giving children nuts in packed lunches.

### Breaktime Snacks

Fruit snack is only provided to children in key stage 1. Children in key stage 2 will need to bring in their own healthy snack for break time. Please also remember to send your children to school with a bottle containing water. Juice is allowed at lunchtime.

### Asthma Pumps

If your child has an asthma pump then please do make sure that we have this in school.

### Lost Property/Donated Uniform.

We have a large amount of school uniform which has been donated. This will be available in the school hall at the end of the day on Monday. This is free to a good home!

We also have a large amount of school uniform which needs to be claimed.
