

16th June 2023

Well it has certainly been very hot this week! With this in mind, I would like to take the opportunity to remind you to please remember to send your child/children to school with a drinks bottle, suncream and a hat. While it is hot we are trying to make sure that we keep the school as well ventilated as possible and also making the most of outside and shady areas!

Our Mighty Oaks have picked a great week to be at school camp. They have been having a fantastic time: climbing, trapezing, problem solving, street surfing, surfing and generally having a **BRILLIANT** time! A really big thank you to Mrs James, Mrs Hoadley, Mr Williams and Miss Laskowski for giving up so much of their time to make this such a great experience for them. Also a **very big shout** out to Bobbie-Jo and Isaac who have been incredible back at school – the Acorns have loved having their help.

Last Friday our football team competed brilliantly at the Truro School football tournament. This was the first time that we have suffered any defeats and although we won our fair share of games it wasn't enough for us to lift the trophy! I was very proud of how everyone took part and the spirit in which they played, even if we had to deal with some decisions that we might have disagreed with!

This week we have also seen amazing resilience from Seedlings and some children in Buds who have been completing phonics screening checks. At the same time, Bur Oaks have been completing the Multiplication Tables Check. We are again really proud of all of these children for how hard they have worked and the effort that they have put in.

You have probably noticed the growing amount of lost property which we have been taking outside to be claimed each day. Please do check through this and reclaim any items!

I hope everyone has a great weekend.

Mr Hick
