

9<sup>th</sup> June 2023

It has been wonderful to welcome all of our children back for the last half term of this school year and it has been a very full week to come back too!

Mrs Morgan and Mrs Glanville-Thomas have been busy this week visiting nurseries, in order to meet with what will be our new reception children. This is very exciting and we can't wait to meet them ourselves, before the summer holidays, as part of our moving up days. Just before half term I was able to confirm who will be teaching where from September - but in case you missed it:

- R: Acorns – Mrs Morgan and Mrs Glanville-Thomas
- Y1: Seedlings – Miss Barnes
- Y2: Buds – Miss Lahera
- Y3: Young Oaks – Miss O'Callaghan
- Y4: Bur Oaks – Miss Hoare and Miss Alston (1 day a week)
- Y5: Red Oaks – Mrs James and Mrs Law
- Y6: Mighty Oaks – Miss Laskowski

On the 4<sup>th</sup> and 5<sup>th</sup> of July we will have transition mornings and the children will have the opportunity to spend time in their new class and with their teacher(s) from September. We are also really pleased that both Miss Barnes and Miss Alston, our new teachers, will also be part of these days.

On Wednesday, we were blessed with great weather for our key stage 1 and key stage 2 Sports Days. This was a fantastic day and I was incredibly proud of every child that took part. It was brilliant to see so much fun, laughter and of course plenty of smiles. A big THANK YOU to the PTA for organising refreshments, our Truro College Sports Leaders, all of the adults who helped put the day together and not least, Miss Hoare who made it all possible.

Today, our football team are competing at a festival at Truro School and hopefully next week I will be able to tell you about our success! Mighty Oaks will be having a very exciting week next week when they head off to Beam House in Devon for three days of exciting outdoor activity, including climbing, trapezing and surfing! We can't wait to hear all about it. Also, next week Seedlings will be completing their Phonics Screening and Bur Oaks will be completing their Multiplication Tables Check.

I hope everyone has a great weekend.

Mr Hick

Check out this month's Online Safety Newsletter [HERE](#).

Definitely worth a quick read to help you keep up to date about how to keep your children safe online.

# HAPPY NEWS

USA

## Burrrrrp! Scientists hear strange noises from Mars

Scientists studying Mars have discovered some really odd sounds coming from the red planet that sound like burps! They believe that the 'burps' were made by a massive earthquake - or Mars-quake - taking place and that the sounds travelled around the whole planet. Head over to the CBBC Newsround website to have a listen. Excuse you!

Your weekly round up of the funny, wonderful and strange news from across the globe!

NIGERIA

## School boy's career costume goes viral

When a school in Nigeria, West Africa, held a Careers Day, they didn't expect 8 year old Abe to come dressed as a Sky News Reporter! Abe has gone viral after turning up in a suit and a homemade Sky News microphone. He said: "News reporters tell people about things they don't know. So I felt it was good to inform people about things that they don't know." What do you want to be when you grow up?

USA

## It's official! Happy News IS good for you!

Reading happy news stories is good for us, say researchers. In a new study 1,800 people who read positive news stories said they felt uplifted and had a greater belief in the goodness of humankind afterwards. How does Happy News make you feel?

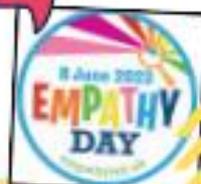

ISLE OF WHITE

## Penguins, foxes and koala bears - oh my!

Over 4,000 people gathered at the second ever Isle of White Balloon Festival last week. The unique event saw 25 hot air balloons take to the skies - with penguins, foxes, koala bears and even sheep balloons. The Events Manager said: "When you see the lights of night glow, the fireworks, the variety of balloons, it really is a sight to behold."

### YOUR MISSION:

Empathy is all about focusing on other people's feelings. Why not ask your friends and family how they feel today?

INTERNATIONAL

## World Empathy Day teaches us to be kind

This Thursday 8th June is World Empathy Day, a day dedicated to the power of empathy. The day raises awareness of how empathy can help us to be kinder to others and make the world a better place. Empathy means being able to experience other people's feelings and points of view. Why not ask your teacher to set an empathy-related task?

## Class Photographs
