

Term: Autumn 2

Class: Young Oaks

Theme: How did life change from The Stone Age to Iron Age?

On this page you will find an outline of our learning this half term in

Mathematics

Addition and Subtraction

Add and subtract numbers mentally, including:

- a three-digit number and ones
- a three-digit number and tens
- a three-digit number and hundreds

- add and subtract numbers with up to three digits, using formal written methods of columnar addition and subtraction

Multiplication and division

- recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables
- write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods.

History: Which was more impressive – the Stone Age or the Iron age?

We will be going back in time to study the changes in history from the Stone Age to the Iron Age and how life changed within these periods.

Art: Gestural Drawing with Charcoal

We will use charcoal to create a sense of drama/story telling and develop our understanding of how to use light and dark within our work.

Religious Education: What do Hindus believe God is like? 2.7

We will be discussing the different Deities in the Hindu religion, identifying the importance of their belief in the cycle of create/preserve and destroy and why this is important.

English

Text – Beasties by Jenny Nimmo

Outcome: Write their own creative story using a story sequence

Computing: Stop-Frame Animation

Children will learn the skills to set up and create a storyboard. They will learn the importance of small changes to make each frame different and effective to create their own stop-frame animation.

We will be focusing on Fronted adverbials (with commas), Complex sentences, main and subordinate clauses including use of commas and Expanded noun phrases.

Text – Outdoor Wonderland

Outcome: Write a set of instructions

We will be focusing on Layout of pages, Coordinating Conjunctions, and Prepositional phrases.

PE:

Inside - Real Dance

Outside - On a line and ball skills

RHSE:

We will be discussing the importance of expecting others' similarities and differences.

Chacewater School – LEAP into Learning
HOME LEARNING

Term: Autumn 2

Class: Young Oaks

Theme: Changes in Britain from the Stone Age to Iron Age

Alongside regular reading, spelling and maths home learning choose at least one of the following to complete over this half term. You might even be inspired and choose more than one!

Design a detailed leaflet to show how the periods in the Stone Age changed.

Build a prehistoric shelter out of biscuits and write what era it is from and why.

Write a newspaper article about the discovery of Bronze and how this would improve weapons.

REAL PE at home: To continue our enthusiasm to encourage children to stay active every day, we now have an account that all children can access at home.

Password: space7547

Focus on FUNS: jumping & seated balance

Find out where the best places to build Iron Age settlements were and why.

Wild card!

You decide on a piece of homework!

Get creative!

Use natural materials, such as berries, grass, mud and leaves to create your own paint to create your own cave paintings.

Research animals that lived during the Stone Age period and create a poster on your favourite one.

Research and make a visitors guide for Stonehenge.
