

Newsletter Announcement eden

ParentPay - our new online ordering and payment service for school lunches starts at Chacewater Community Primary School on Monday 20th June.

We are pleased to announce that from the 20th June we will be using Parent Pay for the ordering and payment of school lunches.

What are the benefits to parents and pupils?

- ParentPay is easy-to-use and will offer you the freedom to make order lunches and make payments if applicable whenever and wherever you like, 24/7
- The technology used is of the highest internet security available ensuring that your money will reach school safely – offering you peace of mind
- Payments can be made by credit/debit card or also through PayPoint
- full payment histories and statements are available to you securely online at anytime
- Your children will not have to worry about losing money at school.
- You have the freedom to manage what your child is eating and to select meals with them.

How to get started with ParentPay

You will shortly receive your account activation details, just follow the

instructions in the letter we give you to get started with ParentPay.

If you want to find out more about ParentPay go to:

www.parentpay.com/Parents

With Parent Pay you can see all meals booked and book these easily a week at a time, if you have more than one child their accounts can be joined – even those who are in different schools that use Parent Pay.

There is no minimum payment on Parent Pay – you can pay and book one meal at a time if you like.

You can look back on Parent Pay to see past lunches taken and look forward to see lunches booked.

Someone from the Eden team will be able to answer any queries you may have each morning for the week commencing the 20th June.

Please note Parent Pay is an ordering system for school lunches so even if your child is entitled to free school lunches these must now be ordered online through the Parent Pay system, this will ensure your child will receive their requested lunch selection.
