

**12<sup>th</sup> July**

Dear Parents/Carers,

We just have one full week to go – not that any of us are counting!

This week we have really enjoyed welcoming Mrs Fraser to our school for a couple of days, who will be joining our office team from September. It has been fantastic to welcome her to the school that she can get to know how everything works here at Chacewater. However, this has been with real mixed feelings because it means Mrs Hodgson's retirement is getting ever closer – we know we are going to miss her lots but glad it isn't quite time to say goodbye yet!

Over the last two weeks the Red Oaks have been swimming daily – I am so proud of all of their efforts and am delighted that we have had several comments from members of the public remarking how well behaved they have been. Well done Red Oaks, this is Brilliant!

A huge well done also should go to all of our year 6 children, The Mighty Oaks who got their SATs results this week. We are proud of all of their effort and they should also be proud of themselves and remember that these tests measure something but they don't capture what amazing young people they have grown to be.

Bikeability has also been a blast this week, another well done to all of our year 6 who have participated and completed this.

Perhaps the highlight of the week for me was Young Oak's class assembly. Everyone that watched was truly captivated by the confidence that they showed and how much incredible learning that they were able to share. It really was an awesome assembly!

Looking ahead to next week, we are very much looking forward to Buds class assembly on Monday, Bur Oaks sports event on Tuesday and of course 'Pantastic' on Thursday. A really exciting last week for everyone.

Don't forget the PTA summer fayre on Saturday from 12pm. Please support this if you can it promises to be a fun event.

Have a great weekend

Mr Hick

## Summer Reading Challenge

Dear parent/ guardian/carer,

Your child is invited to sign up for this year's **Summer Reading Challenge** with Cornwall Libraries.

Sign up for FREE at your local library!

### What is the Summer Reading Challenge?

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy reading anything they like! Children aged 4-11 are invited to set a reading goal and collect rewards for their reading. It's completely **FREE** to take part.

It is an amazing way to boost children's confidence – last year 72% of children taking part felt more confident reading.

### Why should my child sign up?

- They will be **better prepared to return to school** in the autumn.
- The Challenge **supports the move into a new year group**.
- Becoming more independent in their reading boosts children's **confidence and self-esteem**.
- The library provides **free access** to books and fun family activities all through the summer.
- Library staff are on hand to offer support and book recommendations.

Your child will be part of a UK-wide programme developed by [The Reading Agency](#) and delivered in partnership with the [public library network](#).

### How can my child take part? (Library OR online)

**In the library.** Visit your local Cornwall Library and sign up. Your child will:

- Set a reading goal for the summer and borrow and read any books, eBooks and audiobooks.
- Receive a Challenge booklet and collect special stickers and rewards for reading.

**Online.** Take part online.

- Sign up on the [summerreadingchallenge.org.uk](https://summerreadingchallenge.org.uk).
- Set a reading goal and get book recommendations and tips.
