

Chacewater School – LEAP into Learning HOME LEARNING

Term: Spring 2

Class: Bur Oaks Year 4

Theme: Electricity and sound

Alongside regular reading, spelling and maths home learning, choose at least one of the following to complete over this half term. You might even be inspired and choose more than one!

History

Research who invented the telephone and how it has changed over time.
Do you know what the first words spoken over the telephone were?

RE

Have you been to a special celebration to mark a significant event of life?
e.g a wedding, christening,
Share pictures or write about what happened at this special ceremony.

D.T

Nearly everything we use today began life as an idea and probably a sketch of some sort.
What would you invent? Make a model, sketch or annotated diagram of your invention.

Science - Sound

Design and make your own musical instrument. Can it change pitch?

REAL PE @ HOME

Username: buroaks1234 Password: play5122

Focus on FUNS:
sending and receiving

Science - Electricity

How many electrical appliances are in your home?
Make a list.
Can you sort them into:
Mains powered or battery powered.

Geography - Natural resources

Research and make a poster all about alternative clean energy sources
e.g Solar power, Wind energy,
wave power or even Geothermal energy.

Music

Can you play an instrument?
Record a video of you playing your instrument and send it in to share with the class.

French

Practise the French we have learnt so far this year:
colours, fruit and vegetables
or numbers
